### **MCW Healthcare Projects Director Speaker for Temple's 2012 Kornberg Dentistry School Graduation**

**Philadelphia, PA, June 5, 2012** – Dr. Marion Bergman, Director of Healthcare Projects of MCW (Miracle Corners of the World), delivered a graduating address at the Maurice H. Kornberg School of Dentistry at Temple University on May 18, 2012.

In her remarks, Dr. Bergman highlighted the importance of finding the time in their careers “give back to society” through “service.” She quoted Dr. Albert Schweitzer: “I don’t know what your destiny will be, but one thing I know: the only ones among you who will be really happy are those who have sought and found how to serve.”

Dr. Bergman practiced as an intensive care doctor and pulmonary specialist for more than two decades and earned her Masters in Public Administration in 2006. Dr. Bergman was chosen as graduation speaker for her work with MCW to improve oral healthcare conditions in Tanzania. In addition, Dr. Bergman is a member of the Board of Visitors for Temple University’s Kornberg School of Dentistry.

Since 2008, under Dr. Bergman’s leadership, MCW has worked closely with Tanzania’s leadership, particularly the Ministry of Health and Social Welfare, to create a sustainable oral healthcare system that meets the needs of all Tanzanians.
